

Mullins Lobbyist Firm

For Immediate Release

August 8, 2024

In response to the Coalition of Attorneys General (COAG) that issued a 41-page letter to the United States Attorney General in opposition to the Rescheduling of Cannabis from Schedule I to Schedule III.

On July 22, 2024, a Coalition of Attorneys General submitted comments to the US Attorney General in opposition to the United States Health and Human Services recommendation, that Cannabis be rescheduled from Schedule I to Schedule III.

After reading the comments made by the COAG, Mullins Lobbyist Firm is issuing this Press Release in full support of the US Health & Human Services and their recommendation to reschedule Cannabis.

We have submitted a data/fact based rebuttal letter to the DEA, US Attorney General, and the US Health & Human Services COAG and their comments pertaining to rescheduling Cannabis to Schedule II.
